
As for me and my house...

...we will serve the Lord.

Car Games

A Family Fun Idea by Joshua's House

Sometimes traveling can be difficult over the holiday season. Here are some ideas to keep you and the kids amused and continually pointed back to God.

Try one of these ideas with your family, and let us know how much fun you had.

ABC's of Thanksgiving – Go around the car in order and think of something God made or gave you that starts with the next letter. You can't do something twice (even if you call it by a different name). When you get stuck, you're out. See who can stay in the longest.

I Spy Colors – Person who spies something that is a certain color. When it is guessed, the person who picked it has to tell what we can learn about God from that thing. The person who guessed correctly is the next "spier."
