

Hi, I'm Laura Byrd, the director of Joshua's House. Today I'm doing something new – an audio blog. Don't worry, if you still like the written form, you can just click the link below for a transcript.

“Why an audio blog?” Well, it's in celebration of our new recording studio and sound booth. My husband and I recently moved to a new house, and were able to turn one of our closets into a recording booth. In fact, that's where I'm recording right now.

Because we have the new studio set up that means something else that's pretty exciting. We are holding another round of auditions to finish up our audio dramatization of Luke. We need male actors of all ages to fill parts like Peter, Zechariah, Herod and all sorts of other things. If you're interested, you can either call Rose-Merlyn Louis at (561) 914-1663 or me, Laura Byrd, at (423) 315-3682 or feel free to e-mail us at info@joshuashouse.com.

All of our Family Fun Ideas are now available in printer friendly .pdf format. Now when you see that perfect activity for your family you can print it out and turn the idea into a reality. Not only that, but you can print out extra copies and share them with all your friends and family.

Well I think that pretty much wraps up the news for today. If you have any questions or comments, feel free to contact us, we'd love to hear from you.

May God bless you today and always.
